On August 14, 2019, Misonix, Inc. (“Misonix”) received a declination letter from the United States Department of Justice (the “DOJ”) dated August 13, 2019 stating that the DOJ has closed its inquiry into Misonix without any action against Misonix with respect to the matters described below.

The Company previously disclosed on June 20, 2019 that it had received a letter from the Division of Enforcement of the Securities and Exchange Commission (the “SEC”) on June 18, 2019, stating that the SEC had concluded its investigation of Misonix and that, based on the information it had as of the date of that letter, it did not intend to recommend an enforcement action by the SEC against Misonix with respect to the same matters.

As previously disclosed, with the assistance of outside counsel, Misonix conducted a voluntary investigation into the business practices of the independent Chinese entity that previously distributed Misonix’s products in China and Misonix’s knowledge of those business practices, which may have had implications under the U.S. Foreign Corrupt Practices Act, as well as into various internal controls issues identified during the investigation. On September 27, 2016 and September 28, 2016, Misonix voluntarily contacted the SEC and the DOJ to advise them of these potential issues and thereafter fully cooperated with both agencies in their parallel investigations relating to these matters.
