## FATCA: IRS Releases Instructions to Form W-8BEN-E

## Joseph A. Riley

On June 25, 2014, the Internal Revenue Service released the long-awaited Instructions to Form W-8BEN-E, the successor form to Form W-8BEN for non-U.S. entities (that are not flowthrough entities, certain governmental entities, or entities earning income that is effectively connected with a U.S. trade or business) to certify as to their Foreign Account Tax Compliance Act ("FATCA") statuses and, if applicable, provide their Global Intermediary Identification Numbers ("GIINs"). The instructions to Form W-8BEN-E are available <a href="here">here</a>. Form W-8BEN-E is available <a href=here</a>.

The final Form W-8BEN-E itself had been released earlier in the year. The IRS had previously delayed certain FATCA deadlines, in part because instructions to Form W-8BEN-E had not yet been released.
